Choice Novelty and Standard

SEASON OF 1929—1930

PEONIES

Terms

Thrice to five eye divisions. State nursery inspection tag will accompany each order. Selected, healthy stock and all varieties guaranteed true to name.

Divisions shipped any time after Sept. 1. No charge for packing. No order accepted for less than $2.00. For large quantities and prices to trade send for quotations. Cash with order or before shipment is made.

As a special inducement early orders for three or more roots at above prices, added roots will be included.

Standard and better varieties of novelties in irises and gladioli. Ask for prices.

In a desire to reduce stocks prices are being cut to a minimum. Am interested in hearing from those wishing to enter the peony and gladiolus nursery fields. To such persons I would have very favorable proposals for acquiring part or all of my stock, all of which is made up of the best rated and selling varieties.
